*To declare the existence of an emergency with respect to the need to amend the District of Columbia Traffic Act, 1925, to allow a person who was previously assigned a social security number but who can no longer establish legal presence in the United States to be eligible to obtain a limited purpose driver's license, permit, or identification card.*

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Driver's Safety Clarification Emergency Declaration Resolution of 2014".

**Driver's

Clarification  
Emergency  
Declaration  
Resolution of  
2014**

Sec. 2. Section 8c of the District of Columbia Traffic Act, 1925, effective January 17, 2014 (D.C. Law 20-62; to be codified at D.C. Official Code § 50-1401.05), provides for the issuance of a limited purpose driver's license, permit, or identification card to individuals who had not been assigned a social security number or could not establish legal presence in the United States. The unintended result is that an individual who was assigned a social security number at one point but can no longer establish legal presence in the United States would be precluded from obtaining a limited purpose driver's license, permit, or identification card. This amendment would allow for such an individual to be eligible to obtain a limited purpose driver's license, permit, or identification card.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Driver's Safety Clarification Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
