Approval and

Emergency

Resolution of  
2014**

Sec. 2. (a) There exists an immediate need to approve Contract No. DCHBX-13-0003(b) with New Light Technologies, Inc. (“NLT, Inc.”), to provide technical information technology support services and to authorize payment for the services received and to be received under that contract.

(b) On April 29, 2013, the District of Columbia Health Benefit Exchange Authority (“DCHBX”) entered into a contract with NLT, Inc., to provide technical information technology support services in an amount not to exceed \$488,000.

(c) On October 10, 2013, DCHBX executed a contract modification to increase the contract ceiling amount to \$1,000,000.

(d) On October 10, 2013, the DCHBX Board of Directors approved a further increase to the contract ceiling amount to \$2,184,000.

(e) Council approval is necessary since the anticipated contract amount is more than \$1,000,000.00 during a 12-month period.

(f) Approval is necessary to allow the continuation of these vital services. Without this approval, NLT cannot be paid for services provided in excess of \$1,000,000.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. DCHBX-13-0003(b) Approval and Payment Authorization Emergency Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
