2014**

**RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Transportation Infrastructure Mitigation Clarification Emergency Declaration Resolution of 2014”.**

Sec. 2. (a) In December 2012, the Council enacted D.C. Law 19-241, the District Department of Transportation Accessible Vehicles Fund Amendment Act of 2012. This law amended the District Department of Transportation Establishment Act of 2002 and authorized the District Department of Transportation to administer the Federal Transit Administration 5310 grant program that provides public and nonprofit organizations with vehicles to transport elderly and residents with disabilities.

(b) In December 2013, the Council enacted D.C. Law 20-68, the Transportation Infrastructure Mitigation Temporary Amendment Act of 2013. This law also amended the District Department of Transportation Establishment Act of 2002. Unfortunately, technical edits made to this law inadvertently removed provisions added by the District Department of Transportation Accessible Vehicles Fund Amendment Act of 2012.

(c) The purpose of this emergency legislation is to restore provisions from the District Department of Transportation Accessible Vehicles Fund Amendment Act of 2012 that were inadvertently removed when the Transportation Infrastructure Mitigation Temporary Amendment Act of 2013 was enacted.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Transportation Infrastructure Mitigation Clarification Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
