A RESOLUTION

To declare the existence of an emergency with respect to the need to approve Modification No. 9 to Contract No. DCKA-2011-C-0026 with Parkmobile USA, Inc. and to authorize payment for services received and to be received under the contract.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modification No. 9 to Contract No. DCKA-2011-C-0026 Approval and Payment Authorization Emergency Declaration Resolution of 2013".

Sec. 2.   (a) There exists an immediate need to approve Modification No. 9 to Contract No. DCKA-2011-C-0026 for providing a cellular phone payment method for digital parking meters to the District Department of Transportation ("DDOT") and to authorize payment for services received and to be received under this contract.

(b) On April 7, 2011, DDOT's Office of Contracting and Procurement awarded a contract (DCKA-2011-C-0026) to Parkmobile for a cellular phone payment method for digital meters.   The District seeks Council approval of Modification No. 9, which authorizes payment to Parkmobile in the amount of $2,009,878.93 for option year one and up to $4,500,000.00 for option year 2.

(c) Council approval is necessary because this modification increases the contract to more than $1 million during a 12-month period. Council approval is further necessary to allow the continuation of these vital services and to allow Parkmobile to continue performance under the contract.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modification No. 9 to Contract No. DCKA-2011-C-0026 Approval and Payment Authorization Emergency Act of 2013 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
